DEDICATION

Andrew M. Nicoll, known as "Andy" to most, served as our Town Moderator from 1948 until 1973, Bow Representative in the State Legislature from 1948 until 1952 and on the Bow School Board from 1938 through 1948.

He was an active member of the Bow Men's Club and instrumental in organizing the Bow Minstrel Shows held in the old Bow Grange Hall.

In his memory we dedicate the 1983 Town Report.

RECORD OF ANNUAL TOWN MEETING

Bow, NH March 8-9, 1983

A motion to recess the March 8, 1983 meeting to March 9, 1983 at 7:00 PM at the Bow Memorial School to take up the rest of the Warrant Articles was made by Bill Hilton and seconded by Sara Swenson.

The flag salute led by Boy Scout Troop 75, consisting of Scouts Mike McTigue and Joe Francoeur, followed by a small prayer led by The Rev. James Smith, re-opened the Annual Town Meeting for the legal voters of Bow at 7:03 PM at the Bow Memorial School. Moderator Phil Ryan introduced himself explaining how he, as Moderator, would run this Town Meeting. The meeting then proceeded with the results of the Town Ballot Election as follows:

Selectman	- Reginald R. Scott	- 442
Treasurer	- Carolyn Hickey	- 155
Treasurer	- Joan P. Lyford	- 331
Town Clerk	- Cynthia M. Batchelder	- 465
Budget Committee	- Brian P. Goley	- 167
Budget Committee	- James Goodwin	- 371
Budget Committee	- C. William Johnson	- 303
Library Trustee	- Mary Jane Upton	- 455
Water Commissioner	- Ted Bardwell	- 14 (write-in)
Sewer Commissioner	- James R. McCooles	- 430 (3 yrs)
Sewer Commissioner	- Thomas Livsey	- 440 (2 yrs)

ARTICLE NO. 2: The results of the vote for the adoption of the following amendment to the Bow Zoning Ordinance as proposed by the Planning Board to:

#1. Amend Article 6 by adding on page 15, after Section 6:02, a new Section 6:03, to read as follows:

6:03 In an R or RU District only, one one-family dwelling may be allowed by way of special exception, on a lot having less than the required frontage, but having the required minimum area, provided the following conditions are satisfied:

(a) The lot must have at least 49 feet of frontage on a Town accepted and maintained road.

(b) A lot in its present configuration must have been created by deed or approved subdivision recorded in the Registry of Deeds before January 1, 1983.

(c) No structures shall be erected on the lot except one one-family dwelling together with those attached or detached structures customarily used with a one-family dwelling.

(d) The driveway shall be so constructed and maintained as to afford reasonable access to the structures by public emergency vehicles on a year round basis.

(e) The lot shall not be subdivided except in strict accordance with the subdivision regulations of the Bow Planning Board then in force.

(f) A site plan to be submitted in accordance with Article 12, Section 12:03 (b).

In several areas of Bow, the subdivision of land and reservation of rights-of-way to remaining land of the developer has created land which cannot be developed without further subdivision because its frontage on a Town road is only the width of the right-of-way, and inadequate as a building lot under the ordinance. This change is designed to allow an alternative to further subdivision, the utilization of such a lot without sufficient frontage for a single dwelling.

#2. Amend Article 5, Section 5:02, TABLE OF USE REGULATIONS, by inserting a subsection (a-10) to read as follows:

(a-10) One one-family dwelling on a substandard lot, subject to the provision of Article 6:03.

<u>RU</u>	<u>R</u>	<u>C</u>	<u>I-1</u>	<u>I-2</u>	<u>FA</u>	<u>FB</u>	<u>CIV</u>	
S	S	-	-	-	-	-	-	was: YES - 288 NO - 170

ARTICLE NO. 3: The results of the vote for combining the position of Tax Collector with that of Town Clerk, thereby creating a new position of Town Clerk-Tax Collector to be held by one individual; said individual to serve for a term of one year was:

YES - 378 NO - 102

ARTICLE NO. 4: The article to adopt an ordinance restricting and regulating the use of unvented space heaters, as authorized by RSA 31:60-A (copies of the proposed ordinance have been filed in the offices of the Town Clerk and Selectmen for the use and examination of the public) was tabled by a vote of 80 to 74.

ARTICLE NO. 5: It was voted to adopt an ordinance to regulate and license amusement devices and amusement centers as authorized by RSA 31:41-D. (copies of the proposed ordinance have been filed in the offices of the Town Clerk and Selectmen for the use and examination of the public).

ARTICLE NO. 6: It was voted to appropriate the sum of seventy-six thousand dollars (\$76,000.00) for the replacement of a highway grader, said appropriation to be funded in the following manner: To authorize the Selectmen to withdraw the sum of thirty-seven thousand dollars (\$37,000.00) from the Capital Reserve Fund for the replacement of highway equipment; to authorize the Selectmen to withdraw the sum of thirty thousand dollars (\$30,000.00) for this purpose from the Federal Revenue Sharing Fund

established under provisions of the State and Local Assistance Act of 1972, and to raise the sum of nine thousand dollars (\$9,000.00) for this purpose by taxation.

(Recommended by the Budget Committee)

ARTICLE NO. 7: It was voted to appropriate the sum of thirteen thousand five hundred dollars (\$13,500.00) to replace the radio console unit at the dispatch office, and to fund such appropriation by authorizing the withdrawal of ten thousand dollars (\$10,000.00) from the Revenue Sharing Fund established under provisions of the State and Local Assistance Act of 1972, and by raising the sum of three thousand five hundred dollars (\$3,500.00) by taxation.

(Recommended by the Budget Committee)

ARTICLE NO. 8: It was voted to appropriate the sum of eight thousand eight hundred dollars (\$8,800.00) to purchase a new police cruiser, and in order to fund such appropriation, to authorize the Selectmen to withdraw an amount not to exceed four thousand two hundred dollars (\$4,200.00) from the Capital Reserve Fund for Police Department Equipment, and to withdraw the sum of four thousand six hundred dollars (\$4,600.00) from the Federal Revenue Sharing Fund established under provisions of the State and Local Assistance Act of 1972.

(Recommended by the Budget Committee)

ARTICLE NO. 9: It was voted to raise and appropriate the sum of five thousand eight hundred fifty dollars (\$5,850.00) to be added to the Capital Reserve Fund for tax maps.

(Recommended by the Budget Committee)

ARTICLE NO. 10: It was voted to raise and appropriate the sum of seven thousand six hundred fifty dollars (\$7,650.00) to be added to the Capital Reserve Fund for Police Department equipment by a vote of 93 to 63.

(Recommended by the Budget Committee)

ARTICLE NO. 11: It was voted to raise and appropriate the sum of sixty-one thousand two hundred dollars (\$61,200.00) to be added to the Capital Reserve Fund for the replacement of highway equipment.

(Recommended by the Budget Committee)

ARTICLE NO. 12: It was voted to raise and appropriate the sum of thirty thousand dollars (\$30,000.00) to improve the public highway known as the Dunbarton Center Road, the State to furnish the sum of sixty thousand dollars (\$60,000.00)

(Recommended by the Budget Committee)

ARTICLE NO. 13: It was voted to raise and appropriate the sum of one thousand three hundred sixty-one dollars (\$1,361.00) as the Town's share of Town Road Aid Construction, the State furnish the sum of nine thousand and seventy dollars (\$9,070.00)

(Recommended by the Budget Committee)

ARTICLE NO. 14: A Petition was received this date to have this Article (14) voted on by Ballot.

By a Ballot vote of 137-Yes and 23-No, it was voted to authorize the Bow Sewer Commission with the approval of the Selectmen to enter into an agreement on behalf of the Town with the City of Concord pursuant to the provisions of RSA 53-A whereby the City would receive, treat and dispose of waste from the Town and the Town would pay to the City an apportioned amount of the Capital and Operating costs of such facilities, said agreement being on file in the offices of the Town Clerk and Selectmen and to be approved as to form and compliance with State Laws by Town Counsel and the Attorney General; and to appropriate from funds heretofore raised for the purpose, the sum of \$5,000.00 which is the Town's estimated share of the Capital costs for 1983. (The sum appropriated for 1983 is for the first year of the 20-year term during which the Town is to make annual installments for Capital costs). Total Capital costs not to exceed \$100,000.00.

(Appropriation Recommended by the Budget Committee)

ARTICLE NO. 15: It was voted to purchase a tract of timberland containing seventeen acres, more or less, situated off the easterly side of the Bow Bog Road, and identified as Block 2, Parcel 126 on the Bow Tax Map for a price of thirty-four hundred dollars (\$3,400.00) and to establish such tract, upon acquisition, as a Town Forest pursuant to RSA 31:110; and in order to finance such purchase, to authorize the use and expenditure of thirty-four hundred dollars (\$3,400.00) of the monies in the Land Acquisition Fund in payment of the purchase price, and to authorize the Town Conservation Commission to manage such tract as a Town Forest and to develop and carry out a forest maintenance program for the same, and other multiple use programs consistent therewith.

(Recommended by the Budget Committee)

ARTICLE NO. 16: It was voted to appropriate the sum of five thousand five hundred dollars (\$5,500.00) for the purpose of preparing an area for the expansion of the Evan Cemetery and in order to fund such appropriation, to authorize the Selectmen to withdraw such sum from the Revenue Sharing Fund established under provisions of the State and Local Assistance Act of 1972.

(Recommended by the Budget Committee)

ARTICLE NO. 17: It was voted to authorize the Selectmen to withdraw from the Forest Management Fund the sum of Twenty thousand dollars (\$20,000.00) to be used for the purpose of reducing taxes.
(Recommended by the Budget Committee)

SPECIAL TOWN MEETING

June 7, 1983

The Pledge of Allegiance opened the Special Town Meeting for the legal voters of the Town of Bow at 7:30 PM. Moderator Phil Ryan explained that "a majority will rule" would be the rules to be followed for this meeting. The meeting then proceeded with:

Article #1: A petition was received this date to have this Article voted on by secret written ballot.

By a ballot vote of 226 - NO and 84 - YES, it was voted NOT to rescind the vote made at the Annual Meeting of March 6, 1973 which established a Recreation Commission, and the vote made at the Special Town Meeting of October 6, 1981 which adopted new statutes with respect to a Recreation Commission, and by such rescission abolish the Bow Recreation Commission effective immediately.

(By Petition)

Article #2: The Article to vote to order the Board of Selectmen to cease and desist any further construction on any recreation building which the **former** Recreation Commission may have begun was amended to: To vote to order the Board of Selectmen to cease and desist any further construction on any recreation building which the Recreation Commission may have begun was defeated on a voice vote.

(By Petition)

Article #3: A petition was received this date to have this Article voted on by secret written ballot.

By ballot vote of 136 - YES and 41 - NO, it was voted to authorize the Selectmen to allow the Bow Men's Club and/or The Bow Pioneer Snowmobile Club the use of the Community Building for the purpose of running a Monte Carlo Night.

(By Petition)

A motion was made and seconded to adjourn at 10:20 PM.

TOWN OF BOW
SPECIAL TOWN MEETING

November 9, 1983

Moderator Phil Ryan opened the Special Town Meeting at 7:30 PM at the Bow Memorial School, explaining that the meeting would be run by Parliamentary Procedure.

ARTICLE #1: To see if the Town will vote to raise and appropriate the sum of \$262,750.00, for the purpose of constructing sewerage and sewage treatment facilities which are requirements contained in the Federal Water Pollution Control Act, as amended (33 U.S.C. Sec. 1251 et seq.) and will qualify the Town for Federal funds, such sum to be raised by the issuance of Serial Bonds or Notes not to exceed \$262,750.00 under and in compliance with the provisions of the Municipal Finance Act (N.H. RSA 33.1 et seq., as amended) and to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to take such other actions as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interests of the Town of Bow, and to allow the Selectmen to expend such monies as become available from the Federal Government under the Financial Assistance Program of the Construction Grants section of the Federal Water Pollution Control Act, as amended (33 U.S.C. Sec. 1251 et seq.) and pass any vote relating thereto was moved by Sara Swenson and seconded by William Hilton and unanimously amended to:

To see if the Town will vote to raise and appropriate the sum of \$262,750.00, for the purpose of constructing sewerage and sewage treatment facilities which are requirements contained in the Federal Water Pollution Control Act, as amended (33 U.S.C. S1251 et seq.) and will qualify the Town for Federal funds, such sum to be raised by the issuance of Serial Bonds or Notes not to exceed \$262,750.00 under and in compliance with the provisions of the Municipal Finance Act, (N.H. RSA 33.1 et seq., as amended) and to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to take such other actions as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interests of the Town of Bow, and to allow the Selectmen to accept, expend and appropriate for said project such monies as become available from the Federal Government under the Financial Assistance Program of the Construction Grants sections of the Federal Water Pollution Control Act, as amended (33 U.S.C. S1251 et seq.) such sums currently estimated to be approximately \$437,250.00.

This Article voted by a Ballot Vote, the polls opening at 9:00 PM and closing at 10:00 PM, the results of which are: YES - 81 and NO - 14.

ARTICLE #2: To see if the Town will vote to establish a capital reserve fund for future construction of sewage facilities and to direct that any funds which are reimbursed to the Town by the Federal Government and/or the State of New Hampshire for construction of sewage facilities which have been already constructed be deposited into said fund was, by standing vote, tabled.

A motion was made and seconded to adjourn at 10:06 PM.

TOWN WARRANT

1984 Annual Meeting of the Town of Bow

The State of New Hampshire

To the Inhabitants of the Town of Bow, in the County of Merrimack, in said State, qualified to vote in Town affairs.

You are hereby notified to meet at the Bow Community Building in said Bow on Tuesday, the 13th day of March, 1984, at ten o'clock in the forenoon to act upon the subjects hereinafter set forth. The voting on Articles 1 and 2 will be by official ballot, and the polls shall open for balloting at ten o'clock in the forenoon and shall not close before seven o'clock in the evening.

You are hereby notified, in accordance with the provisions of R.S.A. 39:2-a, adopted at the 1980 annual meeting of the Town of Bow, to meet at the Bow Memorial School in said Bow on Wednesday, the 14th day of March, 1984, at seven o'clock in the evening to consider the remaining Articles of the Warrant.

1. To choose by non-partisan ballot the following Town Officers:
 - One Selectman for three years.
 - A Town Treasurer for one year.
 - A Town Clerk for one year.
 - Two members of the Budget Committee for three years.
 - One Library Trustee for four years.
 - One Library Trustee for five years.
 - One Trustee of Trust Funds for three years.
 - One Sewer Commissioner for three years.
 - One Water Commissioner for three years.
 - One Supervisor of the Checklist for six years.
 - A Moderator for two years.
2. To see what action the Town will take with respect to the proposed amendments to the Town Building Codes and the Town Zoning Ordinance as follows:
 - I. Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the Town Building Code as follows?

This amendment would replace the 1978 edition of the BOCA Basic Building Code with the 1984 edition.
(Recommended by the Planning Board)
 - II. Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the Town Building

Code as follows?

This amendment would replace the 1978 edition of the BOCA Basic Mechanical Code with the 1984 edition.
(Recommended by the Planning Board)

- III. Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board for the Town Building Code as follows?

This amendment would replace the 1981 edition of the BOCA Basic Plumbing Code with the 1984 edition.

- V. Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

Amend the Zoning Ordinance by adding after Article XVI a new section to be known as Article XVII and to be entitled - Cluster Development Regulations. This amendment would permit the clustering of residential buildings under certain conditions provided that certain land within the subdivision is preserved as open space.

(Recommended by the Planning Board)

- VI. Are you in favor of the adoption of the Amendment No. 2 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

This amendment would allow cluster developments in the RU and R zones.

(Recommended by the Planning Board)

- VII. Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

Amend Article XVI of the Zoning Ordinance and the Zoning Map for Bow to reflect a new Zone to be known as INSTITUTIONAL and to be referred to, in short form as INST. The boundaries and limits of this new Zone are to be as follows: Bounded on the south and west by Interstate 89; bounded on the north by the City of Concord; bounded on the east by Interstate 93.

(Recommended by the Planning Board)

- VIII. Are you in favor of the adoption of Amendment No. 4 as proposed by the Planning Board for the Town Zoning Ordinance as follows?
Generally, this amendment would allow certain institutional uses in the INSTITUTIONAL zone if Amendment No. 3 is adopted.
(Recommended by the Planning Board)
- IX. Are you in favor of the adoption of Amendment No. 5 as proposed by the Planning Board for the Town Zoning Ordinance as follows?
This amendment would establish certain density and dimensional requirements in the INSTITUTIONAL Zone if Amendment No. 3 is adopted.
(Recommended by the Planning Board)
- X. Are you in favor of the adoption of Amendment No. 7 as proposed by the Planning Board for the Town Zoning Ordinance as follows?
This amendment would permit elderly housing in the same zones as hospitals and nursing homes.
(Recommended by the Planning Board)
- XI. Are you in favor of the adoption of Amendment No. 8 as proposed by the Planning Board for the Town Zoning Ordinance as follows?
Amend Article III - Definitions - by adding the following:

SELECTMEN'S MESSAGE

This year, 1983, after many years of negotiating, we finally reached and signed an agreement with the City of Concord for Bow's 4% share of the Hall Street Treatment Plant. The construction will start on Phase I of the Sewer Project in the late spring or early summer of 1984.

Last year we asked the Town of Bow to raise and appropriate the sum of \$30,000.00 to improve the Dunbarton Center Road. The State of New Hampshire, at that time, also furnished \$60,000.00. This year we are asking for another \$30,000.00 and again the State of New Hampshire will furnish another \$60,000.00, which will enable us to start construction this year (1984).

Because of the damage to the sluiceway at the Town Pond, caused by the heavy rains last spring, it was necessary for the Town to make appropriate repairs.

Our Department Heads would like the residents of the Town of Bow to number their houses. This will enable the various departments to respond more efficiently to emergencies. For further information, please contact the Town Engineer's Office.

To eliminate the possible misuse of our Town Dump facility, we are asking the townspeople to please remove their Town Dump sticker from a vehicle they are selling.

Two of our Town's employees left last year, Walt Jones who was the Selectmen's Administrative Assistant and Ted Downs who was one of the Mechanics at the Highway Garage. We would like to thank them both for their many years of service and wish them well in the future.

We take this opportunity to remind you that copies of the Bow History Book, "100 Acres More or Less" are still available for \$20.00 each. Also, Bicentennial and 250th Anniversary Coins are available.

We would like to thank all Department Heads and Town Employees for their dedicated services to the Town of Bow. Also, our thanks to the many volunteers on Towns Boards and Commissions.

AUDITOR'S REPORT

To the Members of
the Board of Selectmen
Town of Bow
Bow, New Hampshire

We have examined the combined financial statements and the combining, individual fund and account group financial statements of the Town of Bow, New Hampshire as of and for the year ended December 31, 1983, as listed in the table of contents. Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1B, the combined financial statements referred to above do not include financial statements of the General Fixed Asset Group of Accounts which should be included to conform with generally accepted accounting principles.

In our opinion, except that omission of the General Fixed Asset Group of Accounts results in an incomplete presentation, as explained in the above paragraph, the combined financial statements and the combining, individual fund and account group financial statements referred to above present fairly the financial position of the Town of Bow, New Hampshire at December 31, 1983, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the combined financial statements taken as a whole and on the combining, individual fund and account group financial statements. The accompanying financial information listed as supplemental schedules in the table of contents is presented for purposes of additional analysis and is not a required part of the combined financial statements of the Town of Bow, New Hampshire. The information has been subjected to the auditing procedures applied in the examination of the combined, combining, individual fund and account group financial statements and, in our opinion, is fairly stated in all material respects in relation to the combined financial statements taken as a whole.

REPORT OF BOW HIGHWAY DEPARTMENT

The following is a summary of some of the major projects completed by the Highway Department during 1983. These of course, are in addition to the daily tasks performed, i.e., plowing, cemetery work, brush cutting, cleaning culverts, etc.

Maintaining the policy of proper ditching along Town roads, the following were completed this year:

5565' - both sides	Knox Road
3250' - both sides	River Road
1610' - one side	Grandview Road
4810' - one side	Page Road
2160' - one side	Albin Road
1500' - one side	Rocky Point Drive
1300' - one side	Cobb Road
1180' - one side	Wood Hill-Hooksett Road
600' - one side	White Rock
220' - one side	Bog Road

Relative to ditching, approximately 1700 feet were hot topped, including Red Pine Drive, Pond View Drive, Clement Drive, Oak Ridge Drive, Shoreview Drive and Rocky Point Drive.

Using over 40 thousand gallons of material, the Highway Department sealed close to 60,000 feet of roads. Some of the larger areas done included Page Road from Birchdale to Clinton Street (9900'); River Road from 3-A to Dry Bridge (8850'); Birchdale Road (4700'); Poor Richard's Drive (2950'); Albin Road (5700'); Knox Road (5600').

Albin Road was prepared for reconstruction with 7500' being paved. Dunklee Road was relocated and graveled.

Over 5000 yards of sand was hauled in preparation for this winter season. Beaver dams were a continual problem on Allen Road. The Highway Crew built two retaining walls and assisted extensively with the reconstruction of the sluiceway at the Pond near the Fire Station.

The members of the Highway crew have assisted other departments with projects such as clearing for practice fields, and assisting with maintenance problems at the Community Building.

At this time I would like to extend my thanks to the people of Bow for their approval of funds to purchase a grader. This piece of equipment has been a great asset to us, especially in snow removal. I would also like to thank the Police Department for their continued support, to the Selectmen for their guidance throughout the year, and to the members of the Highway Department for their cooperation and responsiveness.

Sincerely,

DON DUNLAP
Road Agent

BAKER FREE LIBRARY ANNUAL REPORT

1983 has been another good year for Baker Free Library. The Town of Bow has reason to be proud of their library. When the Library Trustees made up the budget, the Budget Committee and Selectmen supported our requests. Again at Town Meeting, you, the townspeople, voted our budget. Your library staff and trustees try hard to supply the books that you need and/or request. We want to thank the Town of Bow for their continued support and interest.

At the end of July, Rose Drescher retired after 10 years of service as clerk and bookkeeper. After resigning as a newly-elected trustee, Mary Jane Upton joined our staff and Roberta Benson was appointed to replace her for the rest of the year as trustee.

Activities during the year included:

- 2 9-week series of Story Hours, headed by Mrs. Barbara Plante and Mrs. Paulette Tanguay of the Bow Women's Club;
- Summer Reading Program with the Bow Clovers 4H Club Puppeteers entertaining at the closing party;
- Host to a Forum meeting of libraries in this area, sponsored by the New Hampshire State Library;
- Attendance at Spring and Fall N.H. Library Conferences by the librarians and several of the trustees;
- 2 groups for reference work from Mr. Coggin's class at Bow Memorial School.

Another interesting aspect of your library are the folks who come in:

- Who are doing geneology work on their families;
- Who are waiting for relatives at the doctors' offices across the street;
- Who leave their cars in our parking lot to go running or bicycling (it's OK!);
- Who are lost and need directions.

So we not only meet lots of nice people but we work with lots of interesting books. Do come in and see what we have to offer. At our next Town Meeting display, we intend to show you some of our wonderful gifts, presented in memory or honor of loved ones. We have some beauties!

We are still working for a ramp for easier access to our building. It really bothers us to see some of our folks struggle up our steps and we would ask for your support - you may be the next one to need it!

Thank you for your wonderful support of the Baker Free Library.

In reviewing the Bow Police Department statistics for 1983, some may get the impression that the Department was no busier than in 1982. That's not true. In 1983 we had 315 investigations as compared to 219 in 1982. Some investigations may involve one officer whereas others may involve numerous law enforcement officials. Some involve contact with the public while others may be on foot in the woods. Investigations may start in our town and end up in another town. Time spent on an investigation can run anywhere from minutes to weeks.

Our most intense and prolonged investigation in 1983 started in September and ended in November. It all originated when our dispatch center received a call for a burglary in progress at the Robinson residence on Grandview Road. If it hadn't been for the Chief responding to the area in his unmarked personal vehicle, we probably wouldn't have apprehended the three burglars. This burglary resulted in the recovery of \$15,000.00 worth of stolen property from burglaries which had occurred in Amherst, Bedford and Windham. The only article in the newspaper on this entire case was that the Bow Police recovered \$15,000.00 worth of stolen goods. With information received still in conjunction with this burglary, your department spent many hours searching on foot through fields and large areas of woodland looking for a substantial size "Pot Field" in Town. A Town resident who heard of our situation took two Bow officers for a ride over Bow in a helicopter at no charge to view the entire Town from the air. I strongly feel the reason why our results were negative was due to the lateness in the marijuana growing season.

Motor vehicle accidents totalled 79 in 1983, 23 of which occurred on Route 3-A. Unfortunately two were fatal. The first fatal accident in June was caused by operating under the influence and speed. The second occurred in November and was caused by speed and an emotional problem.

Let's not forget our Crime Prevention Program (National Neighborhood Watch). As our statistics show, we rose slightly in burglaries in 1983. If you have any questions about the program, need information or decals, please call

us at 228-0511 or stop by our headquarters located in the Municipal Building on Grandview Road. As some may have noticed, we've been expanding on the program by erecting National Neighborhood Watch signs throughout Town. In the Spring, we hope to have them all erected in safe, highly visible areas with hopes that they will assist us in deterring burglars who want to strike our Town.

As a reminder, if you have any questions concerning the Residential/Industrial Security Survey Check, Operation Call In Program, or the Digital Alarm System, please contact us.

I want to thank the Bow Rotary Club for their assistance in sponsoring the Jr. Police Officers Program which is presented at the Bow Elementary School on an annual basis.

At this time, I want to thank all the members of the Bow Highway Department, Fire Department and Bow Rescue Squad for the assistance you've given us when called upon at accident scenes and emergencies.

To all the citizens of Bow, I extend my warmest thanks to you for the support, interest, cooperation and assistance that you've given my Department during the past year.

IF YOU SEE IT! HEAR IT! DON'T HESITATE! REPORT IT!

Respectfully submitted,

PETER A. CHENEY

BOW DISPATCH CENTER

The Dispatch Center is located at the Bow Fire Station and services the public twenty-four hours a day every day of the year. Besides dispatching and recording telephone calls for the Police, Highway, Recreation and Community Building, it answers many inquiries for the public pertaining to Town functions, dump hours, recreation schedule, road and weather conditions, cancellations, directions, etc.

Radio transmissions continued to increase in 1983 to a total of 39,229 as compared to 38,846 in 1982 and 36,700 in 1981.

The following is a breakdown by Departments of the total incoming and outgoing calls which also increased in 1983:

	1983	1982	1981
Police	15,872	14,423	10,501
Rescue	328	393	278
Fire	646	841	941
Highway	357	311	224
Recreation	531	512	996
Community Building...	183	243	295
 Total	 17,917	 16,723	 13,235

In July we completed the second phase of the Dispatch Center which was the "Radio Communications Console". This new system which replaced the old is much more sophisticated, has more capabilities and will accommodate Bow's needs for years to come. In addition, it should be a lot less costly to maintain than the previous obsolete system.

The third and final phase scheduled at this time is the purchase of a recording system in 1984 which will be capable of recording all telephone calls and radio cruiser transmissions. This system is to help protect your police department and you, as taxpayers, from a lawsuit. It will also enable the dispatcher to play back a call to obtain pertinent information should he/she need it in an emergency situation such as a Police or Rescue call. The tapes are reusable after they've been erased with a special solution by the Chief of Police. The

only tapes which will be secured for a reasonable period of time will be those which contain calls or transmissions which the Chief feels would protect the Town in the event anything was to be questioned or tried in court.

I want to remind everyone that when you're reporting an EMERGENCY to the dispatcher, they need to know:

1. **WHO** (who is calling)
2. **WHERE** (where is the location)
3. **WHAT** (what is the problem)

PLEASE KEEP THIS NUMBER 228-0511 BY YOUR TELEPHONE so that in the event of an emergency any family member will find this number readily. Stickers for your telephone containing emergency numbers are available at the Dispatch Center, Town Clerk's Office and Bow Police Headquarters.

Don't forget our OPERATION CALL-IN PROGRAM. If you want additional information or know of someone who should be on it, CALL US.

I want to take this opportunity to thank all the citizens of Bow for the continued cooperation and courtesy which you've extended to the Dispatch Center and its personnel during the past year. SEE IT! HEAR IT! DON'T HESITATE! REPORT IT!

BOW FIRE DEPARTMENT
1984

L to R: Ted Bardwell, Carroll French, Chief Roger Ordway, Dick Pistey, Jim Scovil. Some not available for photo.

REPORT OF BOW FIRE DEPARTMENT

The Bow Fire Department answered 176 alarms in 1983. The breakdown is as follows:

5	Structure Fires	4	Smoke in Building
10	Vehicle Fires	24	Fire Alarms Building
23	Chimney Fires	3	Fire in Buildings
14	Brush and Grass	8	Drills
8	Service Calls	11	Wires Down
20	Mutual Aid	4	Smoke Investigation
2	Appliances	2	Partitions
1	Logging Accident	2	Extinguished fires
25	Accidents	1	Wash Gasoline
1	Odor of Gas	1	Non Permit fire
1	Electric Fire	3	Woodstove Problems
1	Electric Problem	2	Dumpsters

We received Mutual Aid 22 times in 1983. This is for both actual help on fires and automatic response from other departments.

Total calls for 1982 were 178, this is a 1% decrease in calls for 1983. Our average response time in 1983 was 2.3 minutes per call.

Although our total alarms were down from 1982, we showed increases in structure fires, chimney fires and woodstove problems, brush fires, and fire alarms, in buildings. The structure fires were 4 residential and 1 industrial.

In 1983 we conducted The National Fire Protection Association, "Learn Not To Burn", presentation to the children at Bow Schools and to the baby-sitting seminars held by the Bow Women's Club.

A pre-planned fire drill was conducted at Bow Memorial School, with men and apparatus responding. This was the first time a drill of this nature had been done and it was well accepted by Faculty and Students.

The Bow Firefighters train on the average of 1900 man hours per year. This does not include Mutual Aid drills and other Fire Schools.

1983 showed an increase in the number of woodstoves, chimney and oil burner installation inspections. Our Fire Prevention Board was kept busy with industrial and new construction inspections.

We wish to thank the Ladies Auxiliary for all they have done for us this past year.

The telephone number for a fire related emergency is 225-3355.

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

Once again, our cooperative town and state forest fire prevention and control leads the nation in least acres burned per forest fire. Less than one-half acre per fire statewide average.

At the town level, your Forest Fire Warden is responsible for the prevention and control of all grass and woods fires when the ground is not snow covered.

Forest fire prevention is achieved at the town level by issuing a written permit for every fire that is to be kindled on the ground out of doors when the ground is not covered with snow. Each person wishing to have an outside fire must obtain this written permit from the town Fire Warden before kindling the fire. Any person that does not obtain a fire permit, when one is required, is violating our forest fire permit law and is subject to a court appearance and could be fined up to \$1,000 and receive a jail sentence of up to one year.

No fire permit will be issued between 9:00 a.m. and 5:00 p.m. unless it is raining. The reason for this is twofold: the fire danger increases steadily between 9:00 a.m. and 2:00 p.m., then subsides to a safe level between 2:00 p.m. and 5:00 p.m. This happens because the sun dries out the fine fuels that are easily ignited and dries the air which permits rapid fire spread. Also during this part of the day fire fighters are not readily available in most communities so an escaped fire could burn longer and cause greater damage before being suppressed.

Your cooperation in burning only when conditions are safe is greatly appreciated.

As Smokey says, "Remember, Only You Can Prevent Forest Fires!"

LADIES' AUXILIARY

The Ladies' Auxiliary of the Bow Fire Department meets on the first Thursday of every month. In 1984 we start meeting at 7:30 P.M. in the Auxiliary Room at the Bow Fire Station. We invite ladies to join our group. Girls from 16-18 may join as Jr. Auxiliary members. At present we have 26 members all working to support your Bow Fire Department, a group of dedicated, hard-working men concerned with the safety of the people of your Town.

We had a busy year in 1983, having many fund raising projects. We had a turkey supper at the Bow Mills United Methodist Church (many thanks to them for the use of their facilities) in January. We sold "all occasion" cards. We had our famous "Tidy Bowl" game at the Town Carnival in April. We also served a Wardens' supper in April and an evening training session of Wardens found us serving them a late meal as well on May 17th. We sold 2-year planning calendars and sold more of our cookbooks. We also held 2 dances, one in March and one in October. All proceeds from fund raisers go to benefit the Fire Department.

We purchased Jr. Fire Fighter badges that the firefighters gave out at the Town Carnival on the free fire truck rides. We ordered booklets, paid for by a business in town, to be given out at Bow Schools during Fire Prevention Week. We voted to pay for 2 pagers for the Fire Department as well.

We had our annual carry-in supper in November this year. We were fortunate to have charter members Hilda and Laura Sargent at several functions this year. Their presence and input of knowledge is greatly appreciated.

Listed below are the officers and all members of our group:

1984

President - Michele LaRoche

Vice President - Carol Cricenti

Secretary - Kris Goodwin

Treasurer - Velma VanDyke

Sunshine - Marina Johnson

Also, Barbara Abbott, Maureen Barrington, Theresa Capozzi, Julie Eaton, Helen Finch, Karen Foote, Laura Gonyer, Patricia Goodwin, Dorothy Kennedy, Jane Kimball, Karen Laroche, Orissa Lee, Mary Lougee, Valerie Lynn, Audrey Ordway, Priscilla Ordway, Diana Piroso, Kendra Ricard, Susan Shifrin. We had two members join this year, Collette Leavitt and Siri Mosher.

BOW RESCUE SQUAD 1984

L to R: Emily Jacobs, Brian Cleveland, Sue Ivon, Sue Carpenter, Rita Berry, Rod Jacobs, Kathy Hilton, Robert Lougee, Director. Some not available for photo.

REPORT OF THE BOW RESCUE SQUAD

Once again the Bow Rescue Squad was active during 1983. The Squad responded to 223 requests for medical assistance. The calls were as follows:

Bow Residents/Non Motor Vehicle	92
Motor Vehicle Accidents/Non Interstates	17
Interstate Motor Vehicle Accidents	6
Bow Industries	20
Non Resident	26
Fire Dept. Stand-by's	61
(23 chimney fires/38 box alarms)	
Mutual Aid	1
Number of patients transported to Concord Hospital	149

All members of the Squad maintained their certification as Emergency Medical Technicians and Advanced First Aid and Emergency Care, along with annual recertification in Cardio Pulmonary Resuscitation (CPR) and hold ambulance attendants licenses issued by the State of N.H.

Our recruitment drive is on going. We are still in need of volunteers. Anyone 18 years of age or older is eligible for membership. Anyone who is interested, but lacking training, should contact any Squad member for information. We meet every Wednesday evening from 7-9 PM. All interested townspeople are welcome.

At our annual meeting in December the following officers were elected for 1984:

Director	ROBERT J. LOUGEE
Asst. Director	RODNEY JACOBS
Secretary	MARGARET FRANCOEUR
Treasurer	RITA BARRY
Board of Trustees:	
SUSAN MURPHY	Term Expires 1984
WILLIAM FINER	Term Expires 1985
ROGER MCMILLEN	Term Expires 1986

To report a Medical Emergency call the Bow Dispatch Center 228-0511 and give clear and concise information including:

- 1) Name
- 2) Address of Scene and/or location
- 3) Extent or nature of emergency

ROBERT J. LOUGEE
Director

TOWN ENGINEER AND BUILDING INSPECTOR 1983

The end of the year brought to a close the busiest year since 1978. Single family homes were built in all areas of Town and Commercial and Industrial work increased.

As we can all notice, work has progressed on the two Shopping Center projects and with the advent of sewer, it is contemplated that the work at the junction will resume.

Subdivisions in the Town were increased over last year and one contained plans for a new road, though not yet started. Allen Road was surfaced as a final step in that project and we implemented a new method and material for surfacing that has worked out well. Dunklee Road was brought to a stage where paving and stabilization is all that is left.

Clearing and grading was started at Evans Cemetery West and though the entire financial needs are not in this years budget, we will be able to bring a portion of the area up to a point where we can begin to use it. Completion of the Phase I, which should handle the needs of the Town for a few years is anticipated for next year.

There are several proposed Zoning Amendments this year as well as a request by this Department to update our present codes. The editions of the codes we are now using are five and six years old and there have been a lot of changes in the industry since then. Your support for these updates is appreciated.

This report would not be complete without a tribute to Walt Jones. His expertise, knowledge and assistance was far greater than realized by this department until he left and certainly all that he was and did was greatly appreciated and his presence will be greatly missed. The Town has lost a valuable asset.

I would also like to extend the thanks of this Department to all of the other Departments and Commissions for their continued assistance, especially the Police Department for their help and patience. A special thank you to Fire Prevention Officer Al Barrington for his assistance and to Chief Ordway and his Department for their continuing efforts in assisting the people of Bow with inspections of chimneys and wood stove installations.

Also a thank you to you, the Townspeople, for your cooperation, understanding and patience, without which the duties of this Department would be much more difficult.

BOW ZONING BOARD OF ADJUSTMENT

The members of the Bow Zoning Board of Adjustment held twelve regular monthly meetings during 1983 with seven public hearings for Variances and six public hearings for Special Exceptions. We are most grateful for the support and the suggestions of the townspeople at these meetings who added information to provide the Board members with further insight into all decisions. It will continue to be the policy of the Board to make on site inspections of all properties involved in public hearings. This extra effort and time is given freely by all Board members.

Close monitoring of all gravel pits is made through aerial photographs and spot inspections. This monitoring enables the Town to enforce all regulations and restrictions.

We will miss Walter Jones who retired this year as Town Administrator. We wish to thank him for his efforts to improve our Town and wish him the best in the future.

We also extend our thanks to Ken Andrews, the Town Engineer, for his continued assistance and counsel in 1983. We wish to thank the Board of Selectmen and all other boards and commissions for their cooperation and support.

REPORT OF THE BOW PLANNING BOARD FOR 1983

The Bow Planning Board is charged with the responsibility of overseeing timely and orderly growth and development of the community.

In 1983, sixteen applications were received by the Board, four non-residential site plan reviews were undertaken, four major subdivisions were approved which created twenty buildable lots and eight minor subdivisions were approved creating a total of thirteen buildable lots.

The Board has proposed six zoning changes be placed on the 1984 Town Warrant to be considered and voted upon by the public. These changes were proposed by the Board after much input by many individuals, groups and Boards and many hours of study and deliberation by the Board and its subcommittees. These changes have been requested in a continuing effort to keep all regulations in harmony with changes in State regulations and the needs of the Town and its populous.

A special thanks is extended to all those persons who worked with and provided input to the Board. Town engineer, Ken Andrews, has been a very knowledgeable and patient advisor and has been of invaluable assistance to the Board.

The Board meets the first Thursday of each month at 7:30 at the Town office building and its meetings are open to the public.

CENTRAL NEW HAMPSHIRE REGIONAL PLANNING COMMISSION

The Central New Hampshire Regional Planning Commission has been in existence since 1970 and during this period has continued its involvement in studies of both a regional as well as a local nature. The Commission acts as an advisory body to its member municipalities and as such is often invited to participate in local planning projects.

In addition to the traditional planning, zoning and ordinance assistance offered, we are continually working to develop new ways to help our member communities, and to expand our services into those areas that have the greatest need. As in the past, we urge full participation by our member communities in the affairs of the Commission, and encourage questions and comments to be directed to the Commission office in Concord.

The Commission hopes to be able to continue to serve the needs of its member municipalities in the future, and fully appreciate the past support of its activities by the Town of Bow.

BOW CONSERVATION COMMISSION ANNUAL REPORT

The Bow Conservation Commission (BCC) held 12 meetings during 1983.

Each year the Commission sends two students age 14 to 18 to Summer Conservation Camp. This year Boy Scouts Andy Violette and Mark Dartnell attended.

Lots 88-A, et al., Block 2 (along I-93) The timber harvest on this lot will be completed this year with an estimated revenue to the town of \$15,000.

Lot 83, Block 2 (Old Johnson Rd.) Approximately 100,000 bd. ft. of timber was harvested from this lot with an income to the town of \$6,122.28.

Lots 65 and 68, Block 3 (Evans Cemetery - Turee Pond) The BCC assisted the town in clearing the area for the cemetery expansion. To create a park-like atmosphere the BCC had the 6 acre area around the cemetery expansion selectively thinned and the brush chipped.

Lots 26 and 27, Block 4 (Clinton St.) A selective timber harvest will be conducted on this tract of land this year with harvesting occurring over the next year and a half. This will open up the area for some passive recreational use by area residents.

Lot 126, Block 2 (Bow Bog) was purchased in accordance with vote at town meeting and has been incorporated into the Bow Bog town forest..

To maintain accuracy of surveys the boundary lines on Lot 122, Block 2 and portions of Lot 116, Block 4 were reblazed and repainted.

The BCC tested the water quality in Turee Pond as part of a continuing monitoring program which will also include Bow Bog watershed; donated funds unused for summer conservation camp to the 6th grade experience at conservation camp; and worked with the Historical Committee regarding signs and historical markers for the boat ramp facility and Noyes Ferry site.

The BCC will continue to maintain town forests in an ongoing effort to provide recreational opportunities, wildlife sanctuaries and continuing revenue both for this and future generations.

BOW BUSINESS DEVELOPMENT COMMISSION

Formerly (Industrial Development Commission)

After a spring and summer of relative inactivity, the committee has decided to focus our efforts on our existing businesses and development of a better working relationship with potential business in town. One step taken was to change the name of the group to Business Development rather than Industrial Development. We felt this would encourage more smaller groups to approach our commission.

The commission has adopted a statement of direction and we intend to follow that statement within the best of our abilities. All citizens of Bow are encouraged to contact our commission at any time with potential help or questions and concerns. We welcome your input.

Statement of Direction

The BOW BUSINESS DEVELOPMENT COMMISSION intends to take a two-pronged approach in it's efforts to work towards the betterment of the general climate for business within the Town of Bow.

Firstly, the Commission will attempt to assist present businesses located in the town. This approach is intended to include as many of the following as is possible within budget and time constraints.

1. An annual questionnaire directed to all present known Bow businesses soliciting updated information about each concern.
2. On-going communications with other Town Boards, Commissions, Committees and business/civic groups and organizations.
3. Maintain an updated list of businesses located in the Town of Bow.
4. Maintain an up-to-date inventory of the current status of all land located in the Town of Bow which is zoned for business purposes (i.e. Commercial, Light Industrial, etc.).

Secondly, the Commission intends to assist, when and where it is deemed appropriate, concerns wishing to locate their place of business within the Town of Bow. Due to budget and time constraints and general lack of expertise within the Commission in this area, this activity is expected to be somewhat limited. However, the Commission intends to devote as much of it's resources to this area as is possible.

BOW RECREATION AND PARKS DEPARTMENT

This past year, the Bow Recreation and Parks Department with Wilfred (Will) F. Eldredge, Jr., as Director, continued to improve the delivery of recreation services. With more recreation programs made available, increased utilization of municipal facilities including the Bow Memorial School, the Community Building, the Hanson Memorial Recreation Area, Sargents' Park and the Town Hall was realized.

In support of these activities a maintenance plan was developed and implemented through the efforts of the Highway Department and the School Board to ensure continuous good repair of these facilities.

This year the Department added to its inventory two (2) picnic tables constructed by Michael White of Scout Troop 86 satisfying his service project for the Eagle Scout Award. We also wish to thank Steve Gordon for his promotion of a Fitness Trail soon to be constructed in the vicinity of the Elementary School.

The Recreation and Parks Department wishes to also thank the voters of Bow for their overwhelming vote of confidence at the Special Town Meeting.

BOW SEWER COMMISSION

In March of 1983, two new commissioners were elected to the Bow Sewer Commission, Mr. Tom Livsey of Knox Road, and Mr. Jim McCoole of Bow Bog Road. The Bow Sewer Commission meets regularly on the first Monday of each month at 10:00 A.M. at the Bow Municipal Building, and the public is invited to attend.

During 1983, the Commission completed negotiations with the City of Concord, and entered into an Intermunicipal Agreement enabling Bow to purchase a 4% share of the Concord Wastewater Treatment Plant. Also, negotiations continued throughout the year with private industry in Bow regarding their expressed interest in providing funding for the first phase of the Bow Sewer Project. In November, the Commission received written commitments from J.C. Pitman Company, Inc., and Bow Plaza Partners to fund a combined total of \$115,000 of the projected \$145,000 cost of Phase One.

Also in November, a special town meeting was held, and the town voted to raise the necessary funds, in the form of Municipal Bonds to fund the project. The present schedule, subject to the approval of the EPA, provides for construction of Phase One to begin this Spring, and be completed by late Fall.

The Commission would like to take this opportunity to express their appreciation to Kenneth Andrews, Town Engineer, and to Mrs. Gail Loomis, Secretary to the Selectmen, for their extra help and assistance during the year.

CONCORD REGIONAL VISITING NURSE ASSOCIATION

The Concord Regional Visiting Nurse Association, Inc. continued to service Bow for this past year. In the Home Care program service is provided under a physician's plan of treatment to patients who are essentially homebound with diagnosed illness. This service is rendered by health professionals (Registered Nurses, Physical Therapist, Occupational Therapist, Speech Therapist, Nutritionist) and paraprofessionals, (Homemaker/Home Health Aides, Health Assistants) according to the patient's and family's needs. Hospice care is provided to patients in the last six months of terminal illness. The Health Promotion program has services (child health, family planning, screening) that are provided to low income/high risk patients and families in group settings, such as clinic and screening sites.

Health Education and Instruction is part of each home visit or clinic visit.

Anyone in Bow may request agency service-patient, doctor, health facility, pastor, friend or neighbor. Patients are also referred by other agencies. All requests are answered, but continuing home care can be provided only with a physician's orders.

A call to the Concord Regional Visiting Nurse Association, Inc., (224-4093) between the hours of 8 a.m. and 9 p.m., seven days a week is all that is necessary to start services or make inquiries. Hospice staff are on call (224-4093) 9 p.m. to 8 a.m.

Federal regulations specify a charge is applicable to all visits. Fees are scaled for those unable to pay the charge if that person has no other funding source available. However, for fee scaling, federal regulations require a financial statement be completed and a fee may be appropriate for which the patient will be responsible. Town monies subsidize those visits that are scaled or that no fee is collectible.

This Agency is accredited by National League for Nursing and American Public Health Association; Certified for Medicare and is a member agency of Community Health Care Association and United Way of Greater Concord.

Visits made during the year beginning October 1, 1982 to September 30, 1983 were:

	No. of Clients	Visits
Home Care	39	534
Health Promotion	56	129

BOW ATHLETIC CLUB

Each year it is a pleasure to report the success of the Programs of the Bow Athletic Club. We'd like to take this opportunity to remind people of how we fit in the overall athletic picture in the town of Bow.

Hopefully, people know that there are basically three core athletic programs in town. They are sponsored or supported by three separate groups. The recreation commission, the school, and the athletic club work **together** to try to provide the best possible programs for **all** citizens of Bow. Our part in this program is basically in the area of childrens athletic programs from Grades 2 thru 8. We do have some programs in the summer that include high school students and we also sponsor a roadrace and crosscountry ski race. The annual sports exchange sale has been run by the Athletic Club for the past 3 years.

A separate brochure is available which describes all of our programs in detail. To touch just on the major areas of interest, we sponsor three basketball teams in the Merrimack Valley League and also an in-town co-ed league for grades 3-6. In the spring we have approximately twenty-eight (28) teams in both baseball and softball which play through the months of May and June. In the fall we have soccer, football, and cheerleading.

We hope you will look over our brochure which goes into much more detail about our programs, sponsors, and generous supporters. Our philosophy is to provide an environment of learning; learning skills, learning sportsmanship, learning tolerance, and discipline, and hopefully learn to win. The officers and directors are a small part of the overall effort. Ours is totally volunteer organization. To name everyone and every organization is impossible. All we can say to our friends and volunteers is **Thank You!**

BOW BOY SCOUTS

BOY SCOUT TROOP 75 completed its 26th year of Scouting in Bow during 1983. There are currently 34 boys ages 11-18 in the Troop who meet weekly on Tuesday nights at the Bow Municipal Building from 7:00 to 8:45 PM. Any boy interested in membership is cordially invited to attend.

Activities during the year included attending a Boston Bruins Hockey Game, participating in the Merrimack District and Daniel Webster Council Winter Klondike Derby, two weekend Camporees, two weekend camping trips in the White Mountains climbing Mt. Washington and Mt. Chocorua, plus several overnight camping trips. Highlight of the year was a week of summer camp at Hidden Valley Scout Reservation in Gilmanton Iron Works and Mead Base, a High Adventure Camp in Center Sandwich. Also Senior Patrol Leader Mark Dartnell attended the XV International Scout Jamboree in Alberta, Canada during July.

BOW SERVICE PROJECTS - Three Eagle Scout Community Service Projects were completed during the year by Mark Dartnell, Andy Violette and Mike White. Mark Dartnell's project consisted of cleaning up of the overgrown Heath Family Cemetery on Clinton St. and included the repairing of the cemetery fence and construction of a new sign. Andy Violette was responsible for the construction of two large "WELCOME TO BOW" signs located as you enter Bow on Logging Hill Road and Bow Bog Road. Mike White directed the construction of two picnic tables which have been given to the Bow Recreation Department. Other projects included assisting the Woman's Club in their Spring "Green-up" and planting of flowers along the walkway to the Municipal Building.

BOW GARDEN CLUB

The Bow Garden Club, a member of the National Council of State Garden Clubs, Inc., was founded in 1964. At present it has a membership of 33. Membership is open to anyone with an interest in gardening or working with plants in any way.

The goals of the club are to encourage interest in all phases of gardening and horticulture; to aid in the protection and conservation of national resources; and to assist in the civic beautification of the community. The club maintains an herb garden at the Baker Free Library, we have set out trees and shrubs at the Memorial School and the old school house on Bow Center Road. We give wreaths to the town buildings at Christmas time and we make corsages and boutonnieres for the graduates of Bow Memorial School. During the summer we provide a scholarship to a student or teacher to attend a conservation camp. At Thanksgiving we donate a basket of food to a family in Bow. At present we are working on a landscape plan for the town offices on Grandview Road and we are in the process of forming a Junior Garden Club.

Various workshops are held throughout the year on flower arranging with fresh flowers and working with dried materials. We attempt to help each other with horticulture and horticultural problems. Our speakers cover a wide range of subjects - indoor plants, outdoor plants, vegetable gardening, gardening in containers and decorating at holiday times.

Many of our activities and social occasions center around the New Hampshire Federation of Garden Clubs and also the Central District Region of which we are a part.

The club meets the second Monday of each month, in the morning. Anyone interested in attending a meeting should contact Mrs. Pat Smith, Rocky Point Drive in Bow, telephone 224-4680.

THE BOW PIONEER SNOWMOBILE CLUB

The purpose of the Bow Pioneers, which was established in 1972, is to stimulate and advance the general welfare and safety of snowmobiling, to serve the interests of both the landowner and snowmobiler, to support conservation and to perform all desirable and lawful functions for the successful operation of the club. Safe snowmobiling is promoted by the offering of Safety Training Courses in conjunction with the New Hampshire Fish & Game Dept. Just this past January a Safety Program was held at the Community Building with over fifty (50) students in attendance. The majority of the students were teenagers.

Though we are not a service organization, we earmark a certain percentage of our yearly budget for charity. Through a major fund raiser the New Hampshire Easter Seal Society will again benefit with a contribution of over \$800.00. Every year we support a girls softball team through the Bow Athletic Club.

The club holds meetings from September to May at the Community Building on the third Thursday of the month. One of the key meetings of the year is our annual Landowners Appreciation Dinner. In the winter months the club holds a variety of rides both in town and out of town. Highlights of some of the rides are the family cook-outs which everyone enjoys.

I would like to take this opportunity to publicly thank our many landowners in the Town of Bow and surrounding communities that have given us permission to use their property. Without the landowners there would be no snowmobiling. As in the past, we welcome any constructive comments on snowmobiling. Please feel free to call.

BOW ROTARY CLUB

Established in the Town of Bow in 1970, the Rotary Club has grown and become a symbol of community service and concern. The major areas of concern, accomplishments, and proposals are as follows:

International Service

As part of an international organization there are many opportunities open to us. Contributions made to the Rotary Foundation provide funds for humanitarian services to the underprivileged and also international fellowships and scholarships. A student exchange program is also available. In the last school year Janis Plummer was our student who was sent to Sweden. We are preparing for another exchange in the 1985-86 school year. Watch for information if you have high school students who may be interested.

Vocational Service

The club is planning a vocational awareness day this spring at the Memorial school. Rotary members will address students on their areas of employment. This program attempts to make students more aware of what should be considered in choosing a profession.

Community Service

The club's main thrust revolves around community service. Scholarships are provided from proceeds raised at the auction held in the fall. This year nearly \$4,000 has been raised and will be awarded in the spring. A very successful Christmas Tree Sale was held this year for the first time and we hope to expand this next year. Winterfest is sponsored every year by the Rotary and has gotten bigger and better every year. Donations are made for various quality programs within the town. This year the Rotary and Athletic Clubs worked together on town report distribution. The funds available for this were directed to the Athletic Club to help with their programs. Other community service projects are always ongoing. In the coming year we hope to be instrumental in the establishment of a fitness trail, help with green up day, and perform several other community projects.

The Rotary Club would like to thank all of the citizens of Bow for your support of our fundraisers such as the auction and Christmas Tree Sale. It is with your help that we can perform the community services that we do.

BOW WOMAN's CLUB

The Bow Woman's Club, chartered in 1976, is in its seventh year of service to the town.

We are a member of the General Federation of Woman's Clubs and the New Hampshire Federation of Woman's Clubs. The main objectives of this organization are to provide community betterment, social service and fellowship among its members and the people of the town of Bow.

Included among our many service programs are Storytime at the Bow Library, a conservation program featuring Woodsy Owl, a Halloween Party at the Community Building, and a Babysitting Clinic in which nearly forty of our youth participated.

In April we once again sponsored Green-Up Day and were pleased to have so many townspeople involved in helping to clean up the roadsides in Bow.

Our Education Department worked hard and long to build and paint a puppet theatre which has been donated to the Baker Free Library. We welcome you to bring your preschoolers to our Storytime and to enjoy the puppet theatre as well.

A highlight of 1983 was the lighting of the Christmas Tree outside at the Community Building, followed by a Community Christmas Carolling. We look forward to doing this again in 1984 and invite you all to join us.

Our meetings are held at the Baker Free Library in Bow the second Tuesday of the month from September through May at 7:30 p.m. All women interested in the objectives of the club are invited to attend.

Many thanks to the residents, fine leaders and members of town organizations who have helped us achieve our goals this year.

BOW YOUNG-AT-HEART CLUB

In the fall of 1983 we started out with a very good attendance which increased during the 1983 season.

In January, a new Athletic Director, Will Eldredge, was introduced to the Club.

We took several interesting trips during the year. We went to Salem, Massachusetts, Nantasket Beach, Sunapee Lake for a boat ride and Kennebunkport, Maine.

Several Pot Luck Dinners were enjoyed by the Club. We served one Pot Luck Supper in the fall.

We were entertained by the Brownie Troop, the Foretimes Four Barbershop Quartet under the direction of Mr. Walter Jones, and we heard several speakers.

A very successful fair was held in the Community Building on November 12.

The new officers for 1984 will be: President, Olive Gilbert; Vice-President, William Gibbs; Secretary, Stanley Flagg; and Treasurer, Helen Finch.

During our 1982-1983 season we lost four members - Margaret (Peg) Noyes, Dorothy (Dot) Taylor, Arthur Sargent, Sr. and Frank Howland.

REPORT OF THE ANNUAL MEETING OF THE BOW SCHOOL DISTRICT

Tuesday, March 15, 1983

A duly called meeting of the legal voters of the Bow School District was held at the Bow Memorial School on Tuesday, March 15, 1983, at 8:00 P.M. The meeting was called to order by Dom D'Ambruoso, Moderator. He announced the results of the School District elections.

Moderator, Dom D'Ambruoso
School Board, D. Evelyn Bechtel
Clerk, Kathleen K. Barger
Treasurer, Elinor Dustin

Beginning in 1984, the elections for the School District Moderator, Clerk, and Treasurer will be for three year terms as is the School Board. The results of the ballot question were: Yes - 224; No - 196.

The Moderator then proceeded with the reading of the School Warrant upon which the following action was taken:

Upon motion duly made and seconded, it was

VOTED: to accept the salaries of the School Board and the compensation of any other officer or agent of the District as they are printed in the Town Report. (Article 1)

Upon motion duly made and seconded, it was

VOTED: to accept the reports of Agents, Auditors, Committees, or Officers chosen as they are printed in the Town Report. (Article 2)

Upon motion duly made and seconded, it was

DEFEATED: to raise and appropriate Ten Thousand Dollars (\$10,000) to continue the study of secondary school alternatives. (Article 3)

Upon motion duly made and seconded, it was

VOTED: that the District authorize the School Board to make application for and to expend, on behalf of the District, any or all grants or offers for educational purposes which may now or hereafter be

forthcoming from the State of New Hampshire and/or United States Government, and to appropriate any funds anticipated from the State of New Hampshire and/or United States Government to the payment of obligations of the District for which said Government's funds constitute full reimbursement, provided such grants and/or funds do not jeopardize the local control of our school system, in accordance with RSA 198:20-B. (Article 4)

Upon motion duly made and seconded, it was

VOTED: that the District establish a contingency fund to meet the cost of unanticipated expenses that may arise during the year and to raise and appropriate the sum of Ten Thousand Dollars (\$10,000) for this purpose. (Article 5) Yes - 62: No - 26.

Upon motion duly made and seconded, it was

VOTED: that the District raise and appropriate Three Million, Five Hundred Seventy Thousand, Three Dollars (\$3,570,003) for the support of the schools, for the salaries of the School District Officials and Agents, and for the payment of statutory obligations of the District, and to authorize the application against said appropriation of such sums as are estimated to be received from the State Foundation Aid Fund together with other income; the School Board to certify to the Selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the Town. (Article 6) Yes - 68: No - 22.

The Moderator declared the meeting adjourned at 9:40 P.M.

ACCOUNTANT'S REPORT

To the Members of the School Board
Bow School District
Bow, New Hampshire

We have examined the combined financial statements and the combining fund and account group financial statements of the Bow School District as of and for the year ended June 30, 1983, as listed in the accompanying table of contents. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1B, the combined financial statements referred to above do not include financial statements of the General Fixed Asset group of accounts, which should be included to conform with generally accepted accounting principles.

In our opinion, except that omission of the General Fixed Asset group of accounts results in an incomplete presentation as explained in the above paragraph, the combined financial statements and the combining fund and account group financial statements referred to above present fairly the financial position of the Bow School District at June 30, 1983, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the combined financial statements taken as a whole. The combining fund and account group financial statements and supplemental schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the combined financial statements of the Bow School District. The information has been subjected to the auditing procedures applied in the examination of the combined financial statements and, in our opinion, is stated fairly in all material respects in relation to the combined financial statements taken as a whole.

All debt is general obligation debt of the School District, which is backed by its full faith and credit.

NOTE 3 - PENSION PLAN

The teachers and employees are covered under the State of New Hampshire Retirement System. The District's contribution for normal cost of the plan is based upon an actuarial valuation of the entire State plan. Since the actuarial valuation is performed on the entire State plan the amount, if any, of the excess of vested benefits over pension fund assets for the Bow School District is not available. The District does not have an accrued liability for past service costs. The retirement cost for 1982-83 was \$23,976.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Bow:

I herewith submit my 1983 Report concerning the public schools of Bow.

This year will probably be remembered as the year of the national school studies. No less than eight major reports were published this year, each of which sought to examine the quality of public education in America. The reports all made thoughtful and useful recommendations for improving education and, for the most part, these recommendations were made with emphasis and force.

Although many of the reports contained serious criticisms concerning the effectiveness of American schools, I think that we, in education, would be making a serious mistake if we became defensive about such criticisms or discarded them as irrelevant to our individual school situations. We must remember that there is always room for improvement within any organization and schools must be counted in this group. We must take what we can from the reports which is of value to us and then be sufficiently objective to use this information to improve our schools.

The momentum generated by these reports provides us with a unique opportunity to move forward while national attention is focused upon this issue of excellence. Educational excellence is a goal shared by everyone in the community. Students, parents, citizens, business leaders and educators must work together in partnership if this goal is to be reached. There are numerous excuses as to why this is not a realistic goal which may be raised by each of these groups. Such rationalizations just get in the way of our cooperation and partnership and serve only to impede our progress toward excellence.

The primary benefit then of these 8 major studies is that they have sharpened for us the goal of excellence in education. If we allow them to have a positive effect upon all of us -- parents, citizens, students, teachers, administrators -- we will find our sense of mission renewed, and renewal is just what we need.

What steps are we presently taking toward the goal of educational excellence? The following are some of the District programs which we feel are moving us in the right direction.

Staff Development - The basic purpose of Staff Development is the professional growth of the individual teacher, and the improvement of the

quality of instruction which will provide an opportunity for individual student growth.

The following goals have been established for School Administrative Unit #19:

1. Each staff member shall be continually involved in a professional growth process which develops his/her ability to meet the needs of the students and the community.
2. Each staff member shall be continually involved in a professional growth process which develops his/her talents and meets his/her needs.
3. Basic skills shall be continually emphasized to develop maximum proficiency.

Toward these ends the S.A.U. #19 Staff Development Committee has developed a Master's Degree program for teachers within the Unit, a series of afternoon teacher workshops, and two S.A.U. workshop days each school year.

Accountability - The primary purpose of our educational system is to help each student fully realize his/her potential for learning. The New Hampshire Accountability Plan is based on the assumption that improved student learning requires that we, as educators, clearly describe our intended outcomes for students, develop a system for monitoring their progress toward achievement of these outcomes, institute a process for reporting that progress to the people of our respective communities, and formulate management plans which are consistent with assessment results and will promote improved student performance.

Through its involvement in the New Hampshire Accountability Plan, the Bow School District affirms its commitment to the pursuit of excellence in education. In recognition for its efforts toward quality education, the Bow School District has received an accountability commendation from the State Board of Education.

Mastery Learning - In an effort to develop a learning environment in which all children can achieve at a high level, S.A.U. #19 has begun a training program for principals and teachers in Mastery Learning.

We define Mastery Learning as an instructional process which asserts that, under appropriate conditions, virtually all students can and will learn most of what they are taught. The process requires that the classroom teacher:

- (1) determine skill levels of individual students;
- (2) clearly define appropriate learning objectives;
- (3) share these objectives with the students;
- (4) teach to these objectives;
- (5) provide students with sufficient time to learn;
- (6) construct tests which measure mastery of objectives;
- (7) provide students who do not achieve mastery the first time with alternative instructional materials and methods; and
- (8) provide students who do achieve mastery the first time with challenging enrichment.

The Mastery Learning model is based upon educational research which has clearly shown that the critical element in student achievement is learner time-on-task. Mastery Learning is an instructional delivery system which will help teachers to make much more efficient use of learning time to increase learner achievement. Higher learner achievement is our main purpose as educators.

Assertive Discipline - All Bow teachers have received Assertive Discipline Training which provides teachers with a competency-based systematic approach and set of procedures by which they can clearly set down and enforce rules for classroom behavior so that precious learning time is not interrupted and lost. The system provides students with a fair and consistent approach to discipline which defines teacher expectations and consequences before problems arise and, most important, provides positive reinforcement for appropriate behavior.

Personnel Selection - Since the selection of teachers is one of our most important responsibilities, we have sought a method of predicting the future success of teacher candidates. Our principals have now all been trained to recognize success patterns in teachers through a structured interview process. This process explores 12 basic life themes with the teacher candidate such as empathy, rapport, drive, listening, innovation and objectivity.

I wish to express my appreciation for the assistance and cooperation provided me by the administrators, teachers, School Board, and citizens of Bow. Without this assistance and cooperation, many of the things accomplished would have been left undone, and I look forward to another prosperous year -- a year of continued cooperation.

Respectfully submitted,

ANTONIO G. PARADIS

BOW ELEMENTARY SCHOOL/BOW MEMORIAL SCHOOL

During the past year there have been many national reports regarding the quality of education in the United States. The majority of these reports address the shortcomings of the educational system, with particular emphasis on secondary education.

Bow Elementary and Bow Memorial Schools are not immune to thoughts regarding improvements of elementary and middle level education.

To assist us in measuring the quality of the learning taking place, each year the Metropolitan Achievement Test (1978 Ed.) is administered in grades two through nine. This test, developed prior to 1937, and revised many times since, is one of four nationally recognized tests that measures the amount of knowledge and/or skills a person has acquired usually as a result of classroom instruction. Results for the past four years indicate that each year our Bow Elementary grades grew an average of 1½ years in reading, 1⅓ years in language, 1½ years in social studies, 1½ years in science, and 1⅓ years in math. Results for the Memorial School indicate an average growth of 1½ years in reading, 2 years in language, 1½ years in social studies, 1½ years in science, and 2 years in math.

Simply stated, this means that in most schools an average group of students grew one year; our students grew more than one year across the board in all subject areas. It is our belief that given the quality of our students, facilities, and excellent staff, that we should perform better than the national average.

In addition to the national tests, the Elementary and Memorial Schools administer an accountability test which has been prepared by selected faculty members from SAU #19 and is administered to students in grades four and eight in the spring of each year. The test covers language arts, math and history. The results of this test are used to assist the individual schools in working in particular areas in each subject. Our students have performed well on these tests, and as we perfect the test in years to come, it should be a good measure of what we expect our students to learn by the end of the particular grade levels tested. Results of this test are analyzed and recommendations are presented annually to the local school board.

Supplementing the SAU #19 accountability test and Metropolitan Achievement Test are tests that are directly related to the textbook series being used and teacher-made tests and quizzes. These additional test instruments provide a constant check of the students' every day learning experiences.

One of the best measures of how our students are performing is given by the next teacher a child has when he/she leaves our school to attend another either in-state or out-of-state, and by parent feedback of these students. Parents inform us that their children have an excellent foundation for the new schools which they are attending, and, in most cases, parents state that their children are outperforming their peers at their new schools.

Using national, local and teacher-made test data, teacher comments, other schools' comments and parent feedback, we are confident that Bow Elementary and Bow Memorial School students will hold their own at any school in the country. Also, we will continually strive to improve using the materials and human resources made available by our community.
